Karen.

What can I say? This has been a lovely stay... it is always a bit of a gamble when you find a place online... you make a decision and hope it lives up to your imagination. You exceeded mine easily. I have most enjoyed the beautifully presented breakfasts, but even more the easy conversation that has accompanied them. Thanks for helping us with dinner reservations on a holiday evening.

I have this place with my spirit rested and restored... and a whopping dose of house and garden envy ☺ until our paths cross again, do take care.

Thank you so much for your hospitality and great breakfast! We really needed the rest & relaxation & the Manhattan Suite was perfect. I think we finally caught up on our sleep! The Ogopogo B&B was the perfect home base for us in the Okanagan Valley, so convenient to the wineries and Canada Day festivities. I'm so glad my sister found you online. Best wishes on the endeavor & congrats on how wonderful it already is!

My Dear Karen,

It only took just a few minutes, after we arrived at your home, to fall in love with the beautiful home, the fine décor, and especially "you" You are really the hostess with the mostess!

The welcoming tour, the greeting with a glass of fine wine, and your so tasty brochette, made us feel so at home and so relaxed.

The great experience at Ogopogo makes us want to come back again & again. We are looking forward to seeing you next year and can't wait to have those delicious breakfasts that you prepare with such culinary talent & enthusiasm.

Thank you so much, we love you,

Roland & Louise

Wow! Short word, but it says it all!

After a long drive from Vancouver, Karen was waiting with wine and brochette. Just about the perfect host with a wonderful home.

We had two wonderful days in Kelowna thanks to her and her great advice.

And her breakfast will carry you through the day.

Karen,

Staying in your home has truly been an exceptional experience. Your home is luxurious with every attention to detail considered. We awoke each morning excited to see you and your fabulous creations in the kitchen. You set the bar extremely high for all other B&B's out there. Not only was the stay great, but so was your personal touch of hospitality. From the welcome wine & brochette (the best ever) to the great conversation in your kitchen - this has truly been a trip to remember! Thank you for the pancake-cooking lesson, the edible flowers and the best four nights I've ever spent in Kelowna! Nadder & I promise to return when it's warmer to enjoy some sun, sand and summer nights on your gorgeous decks!

Thank you for a wonderful time.

We spent two wonderful days at Ogopogo while traveling BC. We had heard wonderful things about Kelowna from people in Vancouver and headed for wine tours from Whistler. Karen welcomed us to her home with a bottle of red and a warm smile.

We enjoyed a number of wineries, a bicycle trip and an early morning kayak session. We had a great number of fun conversations with Jon & Becky (also staying here) and of course Karen!

What a wonderful part of our holiday Robin & Petra
